

# Xhibitor™

## The ideal plastic shipping pallet for product placement.

CTC's Xhibitor retail display pallet provides a durable, attractive option for product placement and creates an optimal consumer environment. Xhibitor pallets are strong, yet light weight and mobile for ideal positioning of your product in highly frequented consumer areas. Available in multiple colors, sizes and custom footprints, CTC's Xhibitor retail pallets and mesh display bins can increase the likelihood of consumer purchase by providing an organized shopping experience.
